Making our community safer, one home at a time.

I would like to thank you for your interest in our Home Fire Safety Survey Program. This program is intended to give you, the home owner/occupant advice on items that can make your home safer from fires and other injuries. This is a complementary visit and is provided at no cost to you. If we find any items of concern during our visit we will give you a list and answer any questions you may have. Please contact us to set up an appointment.
